ANIMAL TESTING DECLARATION

Product Name: **LINALOE BERRY ESSENTIAL OIL**

Product Code: PEO1103

Nature In Bottle certify that LINALOE BERRY ESSENTIAL OIL is cruelty-free and free of animal testing. Nature In Bottle does not conduct or commission animal testing of any cosmetic ingredient, raw material, or formulation of any finished product in the context of Cosmetics Regulation (EC) 1223/2009. Additionally, we do not buy any ingredient, formulation, or product from any supplier or manufacturer that conducted, commissioned, or had been a party to Animal Testing. We also encourages customers who manufacture cosmetics and skin care products to avoid animal-tested ingredients and offer cruelty-free products to their customers.

As it is electronically generated document, hence no signature required.

Disclaimer & Caution: Please refer to all relevant technical information specific to the product, prior to use. The information contained in this document is obtained from current and reliable sources. Nature In Bottle provides the information contained herein, but makes no representation as to its comprehensiveness or accuracy. Individuals receiving this information must exercise their independent judgment in determining its appropriateness for a particular purpose. The user of the product is solely responsible for compliance with all laws and regulations applying to the use of the product, including intellectual property rights of third parties. As the ordinary or otherwise use(s) of this product is outside the control of Nature In Bottle, no representation or warranty - expressed or implied - is made as to the effect(s) of such use(s), (including damage or injury), or the results obtained. The liability of Nature In Bottle is limited to the value of the goods and does not include any consequential loss. Nature In Bottle shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon. Nature In Bottle shall not be responsible for any damages resulting from the use of or reliance upon this information.
